

*Riding Boots Collection*

ALBERTO FASCIANI®

*Italian taste and style in the equestrian world*

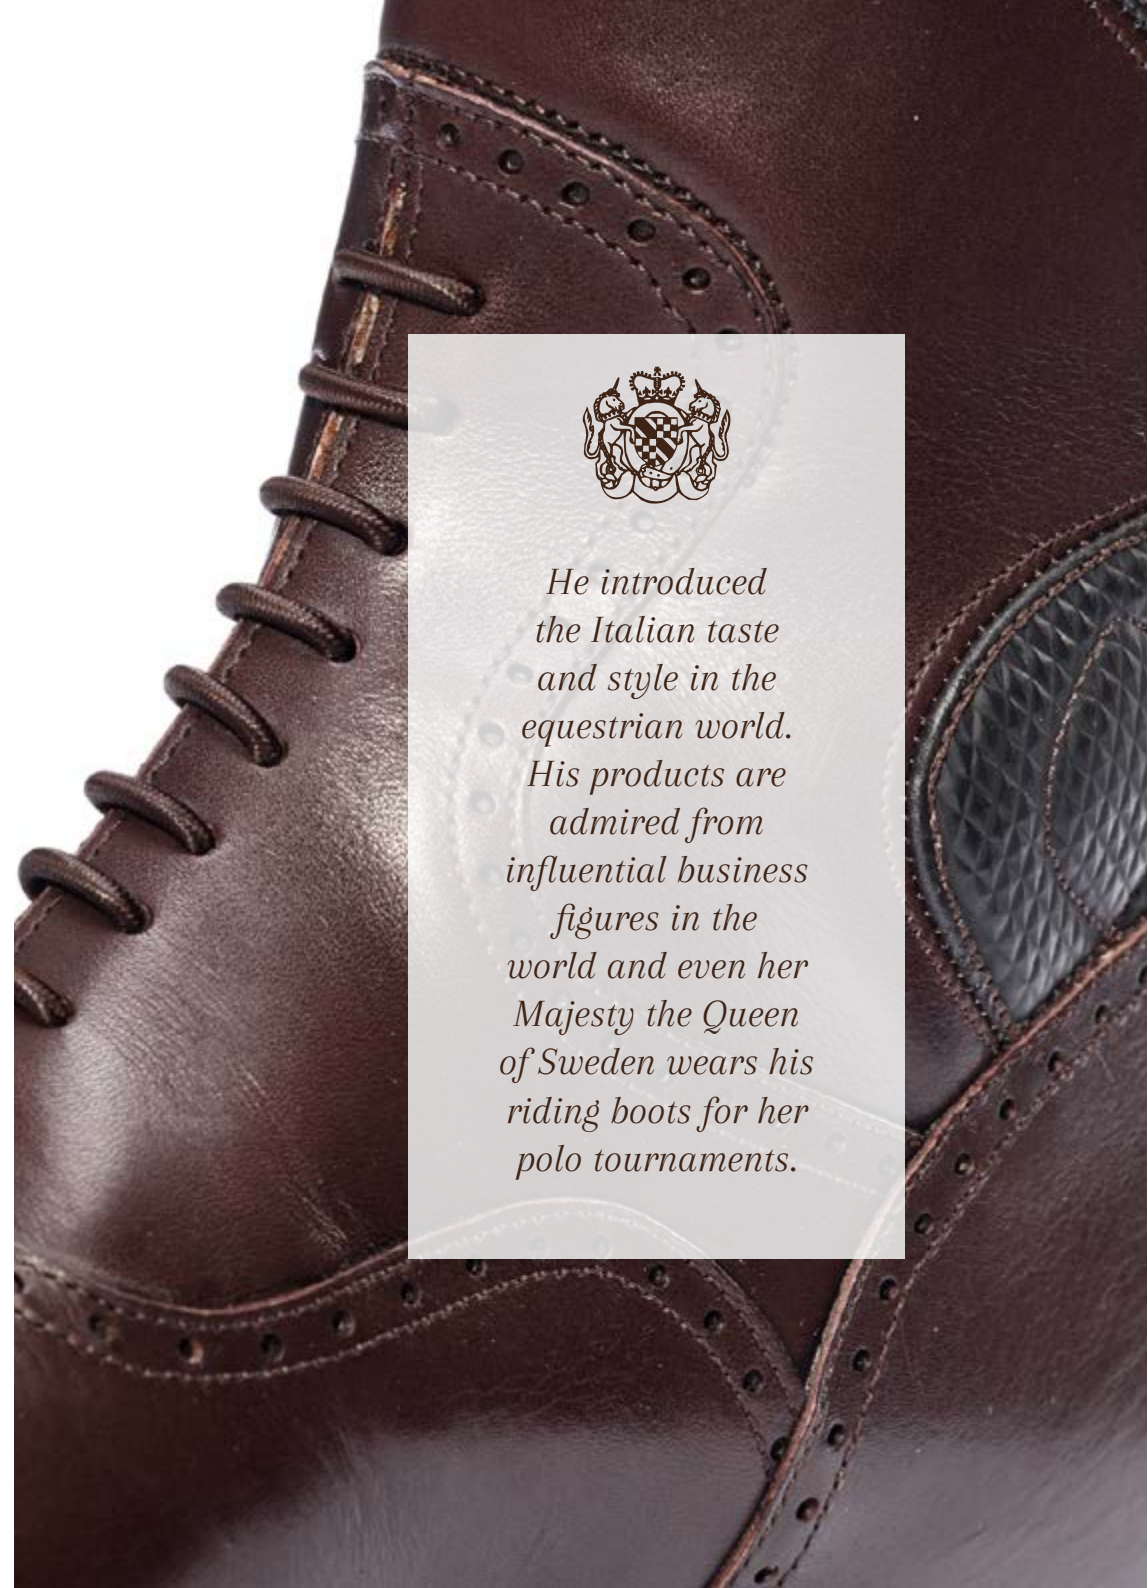

*Alberto Fasciani is the leader in the equestrian industry. This status is due to his ability in satisfying each need of the riders paying attention to the different equestrian disciplines such as Dressage, Jumping, Cross and Polo in which the rider is involved.*

*His riding boots are chosen by the most important, successful knights in the world. The success of his riding boots allowed Alberto Fasciani to be the official technical sponsor of Polo Saint Tropez in Grassin, France, one of the most prestigious European polo clubs.*

*He introduced the Italian taste and style in the equestrian world. His products are admired from influential business figures in the world and even her Majesty the Queen of Sweden wears his riding boots for her polo tournaments.*
